ITEC 2380 – Project Report 1

Background

Review the Final Project Description to get an idea of the requirements your website will need to solve by the end of the semester. You can choose your own subject matter for the Final Project. Creativity highly encouraged!

Project Report 1

Document your idea for your Final Project.

- What are you going to call it?
- What is the site's purpose?
- What do you want users of the website be able to accomplish?
- Who is your intended audience
- What opportunity, problem, or issue is your site addressing?
- What type of content might be included on your website?
- List at least two (2) related or similar sites found on the website.
